So, by the dropping of the rest-house at Bowringpet, a sum of Rs 25/- per mensem or Rs 300 per annum will be set free. The Mugrai Supdt in his office note appears to have an idea of transferring the rest-house at Bowringpet to Chintamani or some other place. If so, no amount will be set free. Whether the rest-house at Bowringpet is dropped or transferred elsewhere, the nehimi charges will have to continue at the place and consequently no savings will be effected ~~in~~ that way.

Banalingam Sanctuary is a Sp. Institution for Ascetics. Grant for its Jandrikavan perhaps possible @ a time when owing to the restrictions under the Rayar Upakari, Income perquisites did not go for the Shastri festival &c. the expenses of Sanctuary were very small Rs 500 odd.

2 Now, that the Expenses have come again swelled to over Rs 3000 odd (As will be seen from the Sanctuary file) the Contribution of Chickbalapur Chattram might be released as needed by the Aravamudan Iyengar.

4 The Chickballapur Chattram needs an addition - it may be very appropriately granted from Ex? Income - and the Govt attention has been drawn to the need

The question originally raised was by the Temporary member of Council in his Note was that the Chatram at Chitkulapuram deserved a grant from Govt. as it was serving a very useful purpose. The Executive Officer has agreed to sanction one and there are no funds in the Municipal Budget for which a grant can be sanctd. in favour of the institution. In fact the Municipality has been making a grant of Rs 150 per year from the Bride Chatram fund. So no action seems to be necessary in this matter. The papers may be filed.

Chickballapur. 12. The Local Fund Chattram is popular, but has not sufficient funds to meet the demands upon it. The managers of the institution represented that though an annual grant of Rs.150 was received from the funds of the Bisleght Chattram the interest of Rs.33-5-4 on the endowment was not enough to meet the monthly expenses. They requested the interest on the endowment of Rs.6,000 which is in deposit with Government to be paid at the higher rate of 5 per cent. They further prayed for a small grant to the institution. At present a number of poor students attending the High School are lodged and fed in this chattram. The grant to it, may, I think, be increased as it is serving a very useful purpose

To

Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

Sir,

Adverting to your letter No: 10386/Edn. dated the 30th of April 1920, regarding the affairs of the Local Fund Chattram at Chikballapur, I have the honor to state that the Institution is under the management of the Muzrai Department.

As fixed in Government Order No: 1354/6-Muz: 177-13-2 dated 8th November 1913 a monthly grant of Rs. 42-5-4 is given for meeting the establishment and feeding charges of the students and the travellers and an annual grant of Rs. 100/- for special expenditure incurred in feeding the Lower Secondary Students who take the Chikballapur Centre for examination.

The monthly average expenditure in the Chattram is reported to be Rs. 70-8-0. The grant given by the Government being insufficient for the purpose, recourse is being had to contributions from the public and thus the balance is being made up. As too much reliance cannot be placed on this fluctuating source, and since the market rate of food stuffs is abnormally high, the Dharmadarsis prayer for an additional grant may be favourably considered.

The conversion of the Chattram into a Hostel is not desirable. The Dharmadarsis are not in favour of this conversion, and I may say that they are voicing the opinion of the public in this respect. Further, this conversion into a Hostel is opposed to the intentions of the donors chief of them being Dodda Ranganna
